New Car Parking Arrangements at the PEC Embankment Car Park - Registering for parking

- On arrival, members/customers using the Centre should scan through the turnstiles as normal and make their way to one of the internal car parking terminals.
- There are external car park terminals located at the car park please note these are for non-PEC users and you should not register at these terminals

- From the home screen, click on 'Start' and enter your vehicle registration number. Next, click on 'Continue'.
- Members/customers using the PEC are automatically set-up to receive 3 hours free parking.

- This can be adjusted, by 30-minute intervals, to a shorter timeframe by pressing the 'Adjust Free Time' button. This should be adjusted if you intend using the PEC more than once in a day
- If staying longer than 3 hours, additional time can be purchased by pressing the 'Pay For More Time' button. Press 'Complete' when finished.
- You will then be asked if you wish to save your details on the system to make future transactions faster.

- There is no obligation to do this, but you should note if you don't you will then have to enter your vehicle registration number each time you visit the Centre.
- If choosing to save details, you should present your debit/credit card to the reader so that the card can be matched to your vehicle registration number
